**"Since 1982, we have established a reputation for quality work performed safely, done on time, and at affordable rates."**

Associated Industrial Riggers Corp. is one of the largest merit shop industrial maintenance companies in the United States. We look forward to being your partner in any turnkey rigging, millwright or maintenance project - including lift trucks to 140,000 pounds. Providing industry with multi-craft personnel from coast to coast, we do the tough and demanding industrial rigging and millwright jobs around town, around the state, and around the nation!

We work in industrial plants for a day, a week, a month, a year, or longer. You can put our people on your team or hire us to handle the whole job. Our rates are competitive and our people are the finest available in the work force. We hire the best for the job and train them to get the job done. We administer regular drug testing and provide continuous safety training.

Associated Industrial Riggers is the premier industrial machinery and systems installer of industry. We are reliable and offer superior value. Contact us for your industrial machinery and systems needs.
